Eastern District of New York

**Re: United States v. Elton Kittrel
Indictment No. 02-891(ARR)**

Dear Judge Ross:

I write to request an order amending Elton Kittrel's conditions of bail to include removal of home detention and electronic monitoring. Mr. Kittrel has been under home detention since his arrest on August 28, 2002. Currently, Mr. Kittrel's conditions of bail include a daily curfew of 7:00 a.m. to 6:00 p.m. In light of Mr. Kittrel's exemplary compliance with his conditions of bail, Mr. Kittrel does not pose a risk of flight. He does not pose a danger to the community. Therefore, telephone reporting and in-person reporting as directed by Pretrial Services is sufficient to insure his appearance in court. United States Pretrial Services Officer Michael Ilaria consents to this request. Accordingly, we respectfully request that the Court amend Mr. Kittrel's bail conditions to include removal of home detention and electronic monitoring.

Respectfully submitted,

Donna R. Newman /ad
